LANGUAGE

- English - Highly proficient
- Hindi - Native Speaker

EXPERTISE

- Management Skills
- Creativity
- Software Development
- Quick Learner
- Critical Thinking
- Leadership
- Time Management
- Teamwork

🚀 Summary

- Contributed to the development of live websites such as Hayti, Vcera. Copera, USADirectAuto, Energique and FresnoCountyRetirement with a focus on both front-end and back-end aspects.
- Played a pivotal role in refining user-facing interfaces to enhance usability and responsiveness, thus elevating the overall user experience.
- Prioritized user interaction by ensuring easy navigation and seamless functionality, resulting in more user-friendly and enjoyable websites.
- Demonstrated expertise in backend development by orchestrating seamless API implementation and crafting robust server-side logic to ensure the websites' functionality and performance.
- User Interface Enhancement: Focused on creating user-friendly interfaces using React.js and Angular frameworks to significantly enhance overall user experiences.
- Backend Development: Demonstrated expertise in backend development by utilizing Node.js and Express.js frameworks to manage data processing and handle API requests effectively.
- Database Management: Implemented MongoDB for data storage, ensuring scalability and optimal performance of websites, even under heavy loads.
- API Integration: Established seamless API connections between frontend and backend systems to facilitate smooth communication and data exchange.

🛠️ Technical Skills

- Languages: HTML, CSS, JavaScript, C, C++
- Frameworks: React.js, Angular, Bootstrap, Node.js, Express.js
- Databases: MySQL, MongoDB (Mongoose)
- Other: RESTful API

EDUCATION

- **Awadhesh Pratap Singh University**
  Bachelor of Computer Applications
  2019-2022   7.5 CGPA

- **Maa Raj Rani Inter Collage**
  12th
  2018-2019   70%

SKILLS SUMMARY

Backend Development	90%
Frontend Development	80%
